About Gibca

Gibca Furniture Industry Co. LTD. (LLC), part of Gibca group, is a leading manufacturer of premium contract furniture. Since our establishment in the 1990s, we have provided innovative and quality work space solutions for over 50,000 installations throughout Middle East, Central Asia and Africa. By fostering the culture of innovation and creativity we've established ourselves as the region's leading space management solution providers.

Understanding our every client's objectives, we work with them to create work space solutions for today and give them the flexibility for future change. Our modern state of the art facility allows us to develop innovative and quality products to serve our client's needs.

Our highly-qualified technical team provides customized service to our clients from the design phase to the after sales service. They work with each client to identify their project objectives, make knowledgeable recommendations, prepare quotes, technical drawings and budgets. Our range of highly engineered products are build and assembled in our state of the art facility under strict quality controlled environment. When working with us, you can rest assured that the product you receive is of top quality workmanship.

About Fundermax

FunderMax is an Austrian company steeped in its rich tradition, culture and values. FunderMax has grown organically just like the raw material they use for their products. It has transformed from a small family owned business into an international leader in the industry. Their roots are in the art of wood processing. Their product portfolio includes the highest quality materials made from wood and laminates.

FunderMax is constantly growing and evolving. Pushing the boundaries of creativity, they are the industry's leading trendsetters. They provide dedicated service to their industrial and private sector clientele and are committed to their employees. FunderMax's ultimate goal is to inspire through their designs and produce high quality products that adds great value to their client's projects.

Star Favorit Superfront Super Tough!

Star Favorit Superfront is a perfect blend of elegance and sophistication thus delivering a quality product with aesthetic charm.

Star Favorit Superfront is a high pressure laminate (HPL) faced panel with a moisture resistant core. These panels are perfect for indoor use of creating a variety of furniture for both residential and commercial sectors. Depending on the design, these panels can be used in wet and humid areas.

Star Favorit Superfront is also available with a white core.

The advantages:

- increased impact resistance
- smoother surface structure
- easy to clean
- solvent resistant

Warranty:

Panels are guaranteed for 10 years warranty from the delivery date.

FUNDERMAX®

Premium Surfaces

FunderMax is a source of inspiration and facilitator for striking interior design. Our exceptional finishes let you create the most unique and beautifully textured furniture, cabinets, wall cladding and doors.

MT – MATT

This surface provides just the right balance between matt and shimmering elements. Impressive with its neutral appearance.

SG – MIRROR GLOSS

Technically it's almost impossible to achieve a glossier look. Mirror gloss is a high quality surface with an impressive finish bringing elegance to every piece of furniture.

GA – GRAFICA

Inspired by stone and concrete, this surface boasts a slightly rough finish, enhancing any decor with its exceptional, gentle light refraction.

LI – LIGNUM

The perfect partner for any wood decor. With its fine grain, this unique surface offers distinctive visual appeal and a truly tactile experience.

SU – STRUCTURA

This refined surface with its porous structure is not only perfect for wood decors, it also offers a natural impact with plain decors.

SF – SOFT FINISH

Robust, yet soft. The specially recessed structure of this surface offers a delicate yet slightly grainy finish which is intriguing to both the eye and touch.

Standard Surface:

FH – FINE HAMMER EMBOSSED

Versatile, easy to clean and highly resistant. One of our classic surfaces which has proved itself in interior design for many years.

*Price varies based on SURFACE type
