ITALIAN LUXURY HANDLES
— SINCE 1967 —

PASINI 50TH ANNIVERSARY

50 years of history turned us from a small local producer to an international handles manufacturer company with its own brand.

Nowadays the door handles PFS Pasini are sold in more than 30 countries all over the world.

Our family has been working in the brass field for over 50 years and since then we always propose new solutions born from the combination of tradition and innovation.

CERTILOGO AUTHENTIC

PASINI PRODUCTS

Pasini is the first door handle company worldwide to certify the authenticity of its products, thanks to a partnership with CERTILOGO, specialized company used by the most prestigious brands in the world.

Nowadays more than 50 brands use this certification to ensure their customers the authenticity of their products and helping fight counterfeits

Thanks to a secure seal, every single piece of our production is marked and tracked, creating a real Identity card of the product.

To fully assure that the article you purchased is an authentic PFS Pasini product, it is enough to follow these steps:

- Look for the Certilogo tag on our products with the CGL code of 12 numbers;
- Scan the QR code with your smartphone or visit the Certilogo web site and enter the code associate to the product.
