Model	Acoustic Rating	Hanging Weight
	STC	kg/sq.m.
7510	43	38.1
7530	47	39.1
7540	49	41.6
7550	51	41.6
7560	53	53.2

FINISHES

Hufcor offers a standard range of vinyl which includes an array of standard patterns and colors. Other colors, patterns, carpet, fabric, high pressure laminate, wood veneers, chair rails, and other design features may be added for an up-charge. Hufcor also assists interior decorators applying custom-in-field finish on our panels.

POCKET DOORS

The finishing touch to your installation, pocket doors cover the opening of the partition storage area. The pocket doors may be factory finished to match the partitions or field finished to match the perimeter walls.

ADA COMPLIANT PASS DOOR

Hufcor pass doors comply with ADA requirements and are of the same construction and finish as the panels. No threshold or foot bolt stabilizers are required.

- Exit signs
- Automatic door closer
- Panic Hardware

- Locks
- Frame and prep for window
- Peep viewer.
